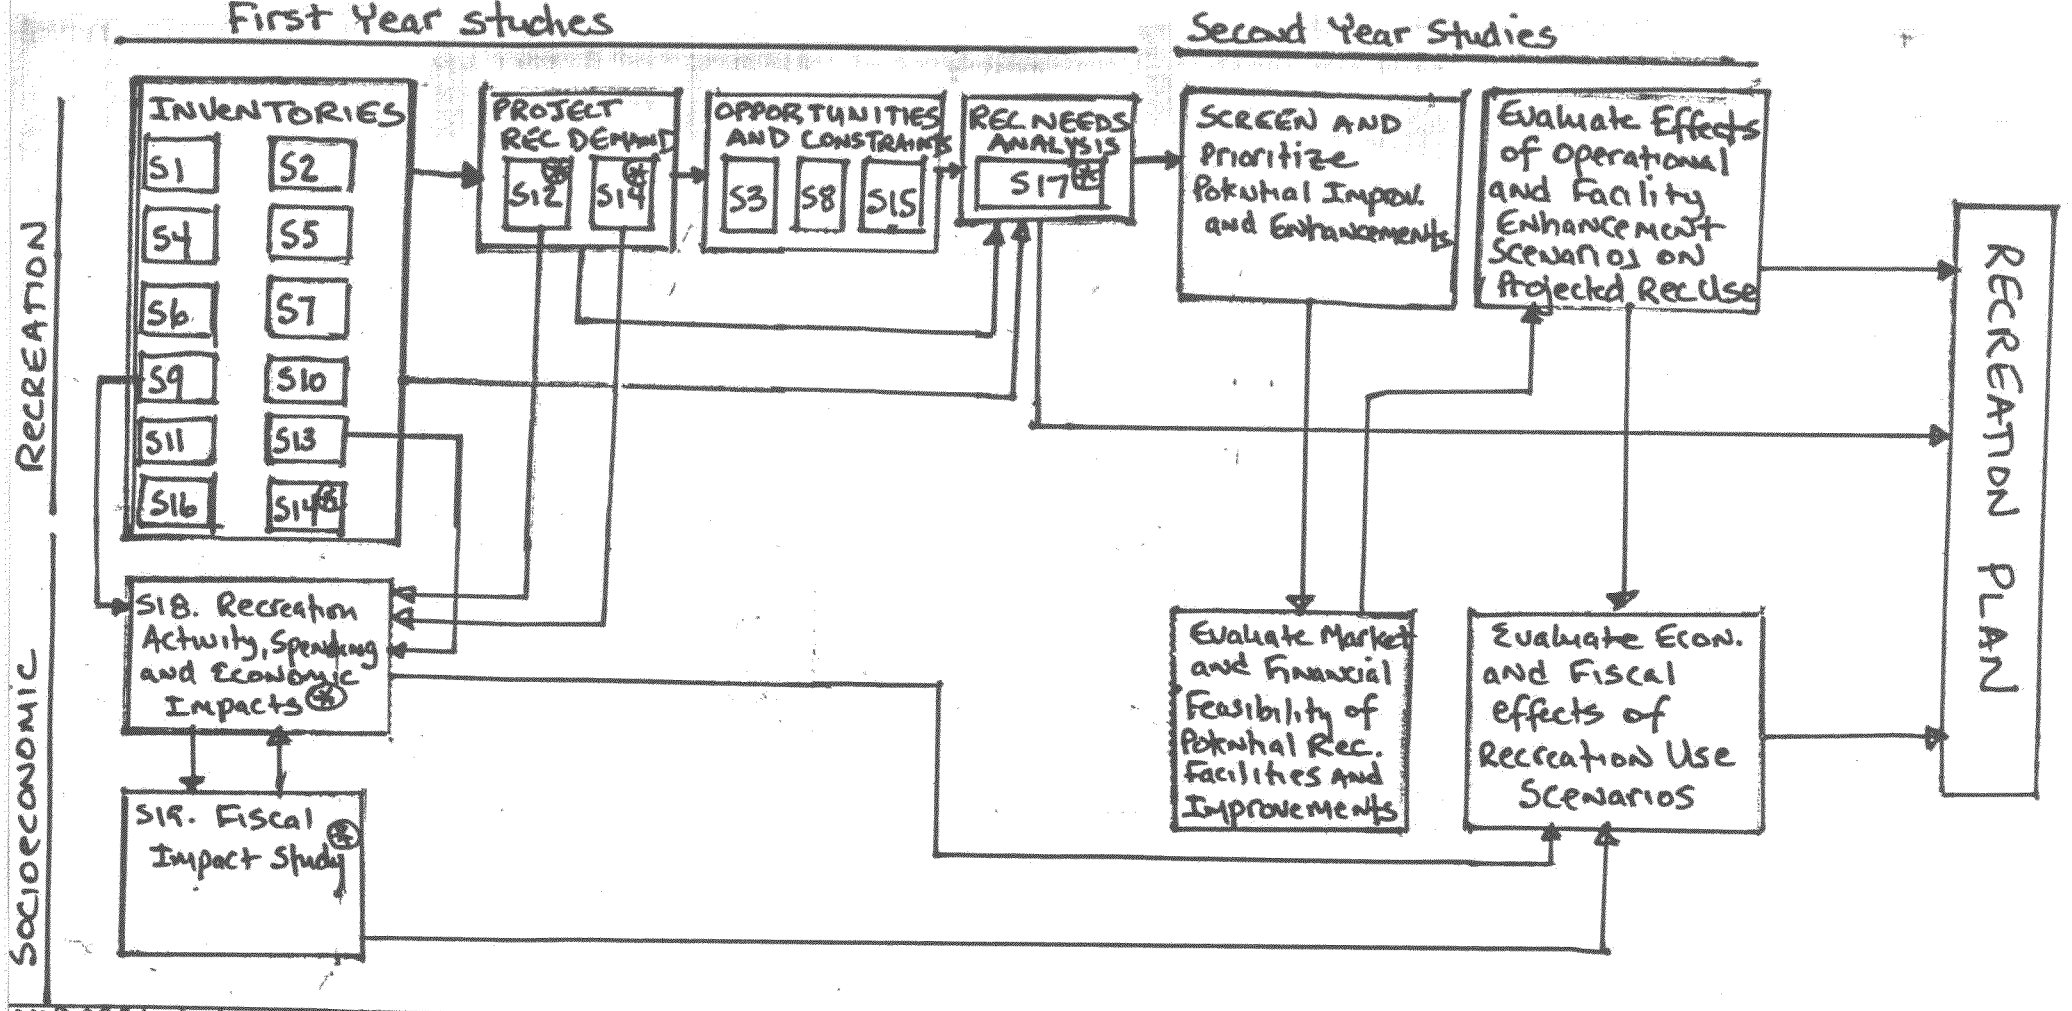
Recreation and Socioeconomic Study Plan Relationships



RECREATION STUDY PLANS

S1 Public/Private Vehicular Access
S2 Recreation Safety
S3 Proj. Operations Impacts on Rec.
S4 Fish & Wildlife Mngt and Rec.
S5 Recreation Area Mngt
S6 ADA Access
S7 Reservoir Boating
S8 Carrying Capacity
S9 Existing Rec. Use
- water related
- facility related
- event related
- trail related
- other issues

S10 Facility Condition
S11 Rec. and Public Use Impact Assess.
S12 Projected Rec. Use
S13 Recreation Surveys
S14 Regional Recreation & Barriers Assess.
- Use local community input
S15 Recreation Suitability
S16 Whitewater & River Boating
S17 Recreation Needs Analysis
Enhancements to:
- facilities
- project operations
- recreation management

* This study has a baseline and future demand component

S18 Recreation Activity, Spending and Associated Economic Impacts
S19 Fiscal Impacts
